

Hambo Workshop

4-6pm, Saturday, November 22

Admission - \$5

Taught by Sarah Gowan and Bill Quern

Presented by Princeton Country Dancers
Suzanne Patterson Center ~ Princeton, NJ

The Hambo is a traditional Swedish couple dance in $\frac{3}{4}$ time. It's an excellent dance for developing strong partnering skills and timing. In this workshop beginners will be taught the basics of how to dance the hambo while more experienced dancers can tune up their svikt* and learn some flourishes.
